

SAVE MONEY AND SAVE ENERGY

Pend Oreille PUD helps customers and businesses lower their bills and improve comfort through our rebate programs.

THERMOSTAT REBATES

- Residential rebates for advanced, smart thermostats.
- \$140 per heat pump or electric furnace.
- Project may be self-installed or by a contractor licensed to do the work.

INSULATION REBATES

- Residential rebates: \$0.45 to \$2.30 per square foot of installed insulation.
- Incentive amounts differ for single family homes vs. manufactured homes.
- Project may be self-installed or by a contractor licensed to do the work.

PRIME WINDOW AND GLASS PATIO DOOR REBATES

- Windows: Starting at \$8 per square foot of installed window.
- Exterior Doors: \$40 each door.
- Project may be self-installed or by a contractor licensed to do the work.

DUCTLESS HEAT PUMP REBATES

- Residential rebates: \$920 per household.
- Installed ductless heat pump must displace an electric furnace or electric zonal heat.
- Project may be self-installed or by a contractor licensed to do the work.

AIR SOURCE HEAT PUMP REBATES

- Residential rebates: \$600 to \$1,560 per household.
- Qualifying ducted air-source heat pumps and variable speed heat pumps are eligible.
- Project must be installed by a contractor licensed to do the work (self-install does not qualify).

HEAT PUMP WATER HEATER REBATES

- Residential rebates: \$1,400 to \$2,200 per installed unit.
- Heat pump water heater must be listed on BPA's qualified product list to be eligible.
- Project may be self-installed or by a contractor licensed to do the work.

APPLIANCE REBATES

- Energy Star® Appliances: \$20 to \$125 per installed appliance.
- Available rebates include clothes washers, clothes dryers, and EV chargers.
- Project may be self-installed or by a contractor licensed to do the work.

NON-RESIDENTIAL REBATES

- Non-residential rebates (commercial & industrial customer projects) are on a case-by-case basis.
- Non-residential incentive rates are determined during pre-approval.
- Call or email the PUD Conservation Team to learn more.

For a complete list of qualifications please scan the QR, call (509) 447-3137, email: conservation@popud.org, or visit our website at popud.org.

Funding for incentive and rebate programs are limited and not guaranteed. Before you do your project, please check with us to make sure you qualify and that funds are available. Rebate offers may be changed or discontinued by the Pend Oreille PUD at any time.
